THE NATIONAL GUARANTEE AND SURETYSHIP ASSOCIATION, LIMITED.

The only Scottish Office transacting Fidelity Guarantee business alone.

Subscribed Capital £500,000. Invested Funds, as at 31st May, 1910, £102,000

INSURANCE AGAINST FRAUD and EMBEZZLEMENT

Although it may not be generally known that only a comparatively small percentage of the many acts of fraud and dishonesty committed by trusted officials is brought into public prominence the necessity of employers holding adequate security on behalf of responsible persons whom they employ must be freely admitted. It is the obvious duty of Members of Corporations, School Boards, Parish and County Councils, Directors of Public Companies, Committees of Charitable Institutions, Friendly Societies, etc., to see that proper security is held on behalf of those whose funds they administer, and the moral and financial safeguard of a Guarantee Policy issued by a good Company should commend itself.

The Premiums charged by The National Guarantee and Suretyship Association are based on the statistics of nearly half a century's experience, and a full prospectus containing an approximate table of rates for the various classes of risk will be sent on application. Special Quotations are given where a large amount of business is involved.

The Association is prepared to grant immediate security to Accountants, Solicitors and others, in connection with Court appointments, and will give full particulars of the special facilities afforded on application.

MANY YOUNG MEN THINK THEY DO NOT REQUIRE INSURANCE

at the moment and overlook the fact that they may have a wife and family to provide for later on when the question of finding the premium (now at its lowest) may be a matter of more serious importance.

There are those, too, who say that as they cannot afford to insure for a LARGE amount they will defer the question "until they are better off," which often ends in their never getting insured at all, for meanwhile BAD HEALTH has rendered the life uninsurable or DEATH has intervened.

To meet such cases as are indicated above, the Star Life Office issues Deferred Assurances

WITHOUT MEDICAL EXAMINATION,

under which it is possible for a person to take out a policy for a substantial sum at a very low premium, which may, if desired, be paid monthly.

For full particulars apply to

THE STAR LIFE ASSURANCE SOCIETY,

Head Office: 32 MOORGATE STREET, LONDON, E.C.

PRINTING
for
ADVERTISERS

THE DOMINATING POWER

QUALITY in Printing is determined by the ideal of the printer. The earliest printers were artists of a high order... Then the printer's mark signified that the work it adorned was... the expression of his personality, the portrayal of his ideal, the offspring of his genius.

Printing then was not merely the mechanical operation of impressing type upon paper. But it was not destined to remain alone the handmaid of Art, Literature, and Religion, and History's Recording Angel.

The discovery of new and simpler processes, the multiplication of machinery and methods, soon extended the sphere of the press, and its influence has now invaded every field of human endeavour and activity, until it has become the dominating power in the extension of the world's commerce and trade.

E. A. KENDRICK.
